Feedback analysis report

Feedback analysis report

Feedback Report of Students

According to the feedback of the students of the Government Girls PG College Chhatarpur students are satisfied with the teaching and teachers behavior of the teachers or knowledge of the teachers but student students want some more classrooms and smart classes for ICT teaching some students are complaining about drinking water facilities and toilet should be neat and clean its force equipment's are in the college but because of the lake of the sports grounds students have to go in any other ground for the practice

Feedback Report of Alumni

Aluminum of the Government Girls PG College Chhatarpur gathered in an alumni meeting which is held every year. EX- students of the college were satisfied with the teaching but they were worried about the infrastructure of the college. lack of classrooms especially smart classes, and sports grounds and they were also worried about professional courses like BBA, BCA, and b.com there should be some more master degrees in more subjects. Professional courses are not running in this college so they have to move out for the master's degree there should be some for any other college.

Feedback report of teachers

A well-qualified and experienced teacher of the college is satisfied with the management and disciplinary authority of the college but the increasing student ratio always gives them stress and workload, the lack of faculty members is always affected by the teaching and learning process teachers are also worried about infrastructure and lack of the classrooms at the time of the examinations this is the tough task to arrange the seating arrangement in the limited space. Teachers are enrolled in Ph.D. programs and appointed as supervisors but because of the lack of master's degree programs they are not able to guide the college students for Ph.D. and research.

Feedback Report of Parents

Parents of the girls of the college are satisfied with the safety and security of the girls which has been provided on the college campus but again they are not satisfied with the infrastructure regarding the classroom and sports activities They want some more subjects as a master's degree program and Ph.D. and research. Parents want some professional and job-oriented courses in this college and some facilities regarding transport and hostel for the students who are coming from the remote areas of the city.

Affiliated to Maharaja Chhatrasal Bundelkhand University Chhatarpur

E-mail: - heggchat@mp.gov.in Ph. No.: - 07682248647

Action taken report on the feedback analysis

Feedback Report of Students

According to the feedback of the students of the Government Girls PG College Chhatarpur students are satisfied with the teaching and teachers behavior of the teachers or knowledge of the teachers but student students want some more classrooms and smart classes for ICT teaching some students are complaining about drinking water facilities and toilet should be neat and clean its force equipment's are in the college but because of the lake of the sports grounds students have to go in any other ground for the practice

Feedback Report of Alumni

Aluminum of the Government Girls PG College Chhatarpur gathered in an alumni meeting which is held every year. EX- students of the college were satisfied with the teaching but they were worried about the infrastructure of the college. lack of classrooms especially smart classes, and sports grounds and they were also worried about professional courses like BBA, BCA, and b.com there should be some more master degrees in more subjects. Professional courses are not running in this college so they have to move out for the master's degree there should be some for any other college.

Feedback report of teachers

A well-qualified and experienced teacher of the college is satisfied with the management and disciplinary authority of the college but the increasing student ratio always gives them stress and workload, the lack of faculty members is always affected by the teaching and learning process teachers are also worried about infrastructure and lack of the classrooms at the time of the examinations this is the tough task to arrange the seating arrangement in the limited space. Teachers are enrolled in Ph.D. programs and appointed as supervisors but because of the lack of master's degree programs they are not able to guide the college students for Ph.D. and research.

Feedback Report of Parents

Parents of the girls of the college are satisfied with the safety and security of the girls which has been provided on the college campus but again they are not satisfied with the infrastructure regarding the classroom and sports activities They want some more subjects as a master's degree program and Ph.D. and research. Parents want some professional and job-oriented courses in this college and some facilities regarding transport and hostel for the students who are coming from the remote areas of the city.

Action taken report on the feedback

Feedback has been taken from the parent students' stakeholders and alumni and based on the feedback the issues and problems of the students and parents as well here is the report of the feedback

- + 27% of students and alumni raised the problem of clean drinking water
- + 30% of students' opinions are that toilets are not clean
- + 3.9% of students raised the problem that college campuses are not clean
- + Based on the feedback of the students, the college administration has taken action to improve the facilities and resolve the problem of the students
- + One female sweeper has been appointed to clean the toilets regularly
- + One peon has been appointed for the cleaning of water tank regularly
- + College Is also committed to a clean and neat campus with the help of Nagar Palika and NCC and NSS students
